## 1. Purpose and Scope

This handbook summarizes what Helix Cloud Technologies ('Helix') expects of its employees and what employees can expect from Helix. It applies to all full-time and part-time employees in the United States, India and the United Kingdom. Contractors are governed by their service agreements. Where local law or an employment contract is more favorable to the employee, local law or the contract prevails.

## 2. About Helix

Helix was founded in 2016 and is headquartered in Austin, Texas, with offices in Bengaluru, India and London, United Kingdom. As of 2026 Helix has approximately 480 employees. Helix builds Helix Pulse, a cloud observability and AI anomaly detection platform.

Company values:

- **Customer First** - we decide by asking what is best for the customer's outcome.
- **Own the Outcome** - we take responsibility for results, not just tasks.
- **Be Transparent** - we share context, decisions and bad news early.
- **Keep Learning** - we invest in growth and treat mistakes as learning.
- **Build Together** - we win as teams and respect every colleague.

## 3. Employment Basics

| Topic            | Policy                                                                                                                                       |
|------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Employment types | Full-time (40 hours/week), part-time (20-30 hours/week), fixed-term, and contractor.                                                         |
| Probation period | 90 days from start date for all new hires. A formal check-in occurs at day 30, day 60 and day 90.                                            |
| Notice period    | United States: at-will employment (2 weeks' courtesy notice requested). India: 60 days. United Kingdom: per contract (typically 1-3 months). |
| Standard hours   | 40 hours per week. Office buildings are open 8:00 to 18:00 local time on business days.                                                      |
| Right to work    | All new hires must complete right-to-work verification by their third day of employment.                                                     |

## 4. Communication and Support

Company-wide announcements are made in Slack channel #announcements and the monthly All-Hands meeting (first Thursday of each month, 10:00 US Central). The People Team can be reached at [people@helixcloud.example](mailto:people@helixcloud.example) or through Slack channel #ask-people. Standard response time is one business day. Confidential matters may be raised directly with any member of the People Team or through the Helix Ethics Line described in HR-003.
